Date and time	From/at Sat, 25 Oct 2025 06:00 AEST	To Sun, 26 Oct 2025 18:00 AEST
---------------	---	--------------------------------------

REFERENCE DOCUMENTS

Other notices	Empty
Train Alteration Advice	Empty
Route Access Standards	Empty
NIBs	OGW-30-22

OPERATING CONDITIONS (GENERAL DETAILS)

Commencing from 0600 hours Saturday 25 October 2025 until 1800 hours Sunday 26th October 2025, or until the works are completed, alteration works will be carried out at Summerland Way Level Crossing (Wiangaree), 846.213km in the Kyogle to Loadstone section.

The works will include relocation of level crossing signage and strike points for both the up and down directions, increasing the pre-activation timing.

The level crossing will remain controlled by a Grade Crossing Predictor (GCP) **in the Down direction** and is designed for a set warning period. On approach to the crossing, the Rail Traffic Crews must not accelerate in speed from the location of the trackside sign indicating predictor circuitry.

The following existing infrastructure will be altered:

Equipment	Track	Facing Direction	Existing Location	New Location	Details / Change / Description
W7-4B	Main	Down	844.807	844.580	Relocation of the rail traffic predictor-controlled approach to Level Crossing warning sign by 227 metres in up direction.
W7-4B	Main	Up	847.619	847.845	Relocation of the rail traffic predictor-controlled approach to Level Crossing warning sign by 226 metres in down direction

The alteration works will involve route-setting, signal testing and track circuit testing activities.

SAFEWORKING ARRANGEMENTS

All work must be carried out as per the appropriate ARTC Network Rules and Procedures.

As required an Infrastructure Booking Advice (ANRF 003) must be compiled as per ARTC NSW Rule ANWT 312 Infrastructure Booking Advice and Procedure ANPR 704 Using Infrastructure Booking Advice.

ADDITIONAL DETAILS

This SAFE Notice will serve as an amendment to the Network Information Book for the infrastructure changes as detailed above, as well as the additional information below.

Amendment to Network Information Book:
