OPERATING CONDITIONS (GENERAL DETAILS)

1/ OVERVIEW:

Symal will be undertaking warehouse demolition works in the Market Rail Site adjacent to the South Dock Line between Swanson Dock and Dynon. Works will be conducted outside of the rail corridor, but may, at times, have the potential to foul, in which case protection under an Absolute Occupation will be sought on the South Dock Line during the prescribed times in this National Notice.

When required for adjacent line protection when there is a potential to foul, an Absolute Occupation or Track Warrant will be applied to the North Dock Line.

ADDITIONAL DETAILS

There will be no impact to rail movements. Where possible, all standard gauge services are to be routed via the North Dock Line to enable Absolute Occupation(s) to remain in effect on the South Dock Line. When a broad gauge service is scheduled to run to and from Appleton Dock, then the Absolute Occupation(s) on the South Dock Line will be cancelled.
