Route Access Standards	Empty
NIBs	OGW-30-19

OPERATING CONDITIONS (GENERAL DETAILS)

As per National Notice 26-223, Ulan-Wollar Road Level Crossing (ALCAM ID 1300), located at Wilpinjong (420.062 km), will be temporarily booked out of use and closed to all road and pedestrian traffic.

For the period indicated above, or until the works are completed, a temporary tin-top level crossing will be installed at 420.295km to maintain access for general public road users through the area.

The temporary level crossing and associated road detour will be managed in accordance with the approved Traffic Management Plan (TMP). Appropriate road detour signage, level crossing warning signage and traffic control measures will be installed and maintained for the duration of its use.

Handsignallers will not be provided at the temporary level crossing, as the crossing will only be open and available to road users during the Train Free Possession.

The temporary crossing is not to be used outside the limits of the TFP.

Upon reopening of the Ulan-Wollar Road Level Crossing at 420.062km, the temporary level crossing at 420.295km will be closed to road and pedestrian traffic and subsequently removed.

SAFEWORKING ARRANGEMENTS

All work must be carried out as per the appropriate ARTC Network Rules and Procedures.

ADDITIONAL DETAILS

As this is a temporary network alteration, no update to the Network Information Book is required.

Recipients must ensure this Notice is circulated to and understood by all personnel affected by, or needing to know, its content. This Notice must be issued to all affected Competent Workers. Competent Workers who receive this Notice must follow the requirements.
